To whom it may concern:

The Martin Park Airview Terrace Neighborhood Association would like to invite your organization to participate in our Public Safety and Health Fair. The event will take place on Saturday, July 29, 2023 from 11:00 A.M. until 3:00 P.M. at the Martin Park Community Park located at 4222 Ellis Street.

The purpose of the event is to bring the neighborhood together at a social gathering to share information on public safety and health issues. There will be food, drinks, games, entertainment and back to school supplies giveaways. Any donations to help defray the cost of this event are greatly appreciated.

We hope that your organization will participate in this worthwhile event. There will be areas available to setup tents, booths, and equipment for the distribution of pertinent public safety and health related materials.

Please contact Velody Robinson at (318) 794-9975 if your organization would like to participate.

Thank you for your consideration,

Martin Park Airview Terrace Neighborhood Association
